

♥ Day 51 Python Mission

Hi Lovely (my sweet Laddoo),

You're doing an incredible job staying consistent. Every small lesson is helping you become a confident Python programmer.

Today's mission is designed for easy mobile practice with just one tiny new concept. Keep enjoying the journey! ☐

Today's new concept: Triple-quoted strings

Python Missions

1. Print a message using triple quotes
2. Print a 3-line poem
3. Store a multi-line string in a variable
4. Print numbers 1 to 5
5. Create a fruit variable
6. Ask favorite color
7. Print 'Keep Learning!'
8. Revision: f-string
9. Revision: len()
10. Print 'Day Complete!'

With lots of love,
Your biggest supporter ♥
