

♥ Day 56 Python Mission

Hi Lovely (my sweet Laddoo),

I'm so proud of how far you've come. Every small step you take is building your confidence and making Python easier every day.

Today's mission introduces just one tiny new idea, so you can practice comfortably on your mobile. Keep shining! ☐

Today's new concept: Add items to a list (.append())

Python Missions

1. Create fruits=['Apple','Mango']
2. Add 'Banana' using append()
3. Print the updated list
4. Print the first item
5. Print numbers 1 to 5
6. Ask favorite fruit
7. Print 'Keep Learning!'
8. Revision: list length
9. Revision: f-string greeting
10. Print 'Day Complete!'
