

♥ Day 61 Python Mission

Hi Lovely (my sweet Laddoo),

You're growing stronger with every lesson. Keep practicing a little each day and you'll be amazed at how much you can do.

Today's lesson adds just one small idea, making it easy to practice on your phone. You've got this! ☐

Today's new concept: List insert()

Python Missions

1. Create fruits=['Apple','Banana']
2. Insert 'Mango' at index 1
3. Print the list
4. Print first item
5. Print last item
6. Ask favorite fruit
7. Print 'Keep Learning!'
8. Revision: append()
9. Revision: remove()
10. Print 'Day Complete!'

With lots of love,
