

♥ Day 66 Python Mission

Hi Lovely (my sweet Laddoo),

You're doing such a wonderful job staying consistent. Every day of practice makes Python feel more natural.

Today's lesson is small, fun, and perfect for learning on your phone. Keep going—you've come so far! ☐

Today's new concept: List count()

Python Missions

1. Create fruits=['Apple','Mango','Apple']
2. Count 'Apple'
3. Count 'Banana'
4. Print list
5. Print first item
6. Print last item
7. Print 'Keep Learning!'
8. Revision: append()
9. Revision: sort()
10. Print 'Day Complete!'

With lots of love,
